ABOUT US

Established in 2019, General Eco Tech Limited, nestled in the heart of Rupganj, Naryanganj, stands tall as Bangladesh's premier PET Packaging Straps manufacturer, boasting an expansive 38,582 square foot production facility. As a 100% export-focused enterprise, General Eco Tech Limited is committed to delivering excellence through state-of-the-art infrastructure tailored to meet diverse customer needs.

Our dedicated team of professionals operates within a culture of integrity, fairness, and ethical conduct, striving to unlock mutually beneficial opportunities. With a remarkable monthly production capacity ranging from 800 to 1000 tonnes, General Eco Tech Limited prides itself on its cohesive team of ambitious, dynamic, and skilled individuals, ready to tackle any challenge with enthusiasm.

Setting ourselves apart, we are proud to be the sole organization in Bangladesh capable of producing both Green and Brown colored PET Straps. Furthermore, General Eco Tech Limited stands as a beacon of sustainability, with the capacity to supply up to 2000 tons of cold/hot washed PET Flakes monthly, ensuring a commitment to environmental stewardship.

Why Choose Us
